Our Vision

At Bluebell Homes we're passionate about the need to build sustainably. We aim to create communities of attractive, high quality homes; with plenty of open spaces for residents to enjoy, alongside shared facilities, in places where people want to live.

We share our customers' concerns about the environment. Blending sustainability with style, we're already working hard to reduce energy consumption and overall carbon foot print while still celebrating great architecture and location.

Part of the Edenstone Group, we built our first zero carbon home in 2016 and we have ambitious plans for the future. By 2025 every home we build will be solar powered, with battery storage, creating zero carbon new homes across every development.

Our developments are already well on their way to becoming sustainable places for future generations. Our designs encourage cycling and electric vehicles, with home and community charging points. Walking and fitness trails, plus opportunities to experience the natural world among wetland habitats and wildflower meadows meanwhile, are all aimed at improving health and well-being.

Energy efficient, low carbon, community focused

Welcome to River View

Located on the outskirts of Lydney, River View is a delightful new garden village of family homes and exclusive community features around 10 miles from the M48 and Severn Bridge.

The first of an innovative generation of new developments, River View is part of a vision to create homes and sustainable, thriving communities in which people will love to live for years to come.

Bluebell Homes two, three and four bedroom family homes at River View offers the best of modern living, combining quality and good looks for the way we live today.

Lydney

Take time to live life

Take a stroll into the historic market town of Lydney, and browse amongst the local shops and cafes. Relax in Bathurst Park or take in the historic Harbour for spectacular views across the Severn Estuary.

From Lydney, the 'Gateway to the Forest', discover the wide range of activities available throughout the Forest of Dean, including kayaking, zip-wires, caves, mountain biking and cycle tracks. Or for something more relaxing, take the Dean Forest railway and enjoy the many walks and spectacular views.

Follow the A48 along the Severn Valley from Chepstow, with its historic riverfront Norman Castle, to the Cathedral City of Gloucester, with its historic dock area and Gloucester Quays shopping outlet. As the river narrows towards Gloucester, watch the annual Severn Bore or join the surfers and canoeists as the wave rises and gathers momentum.

Severn Estuary

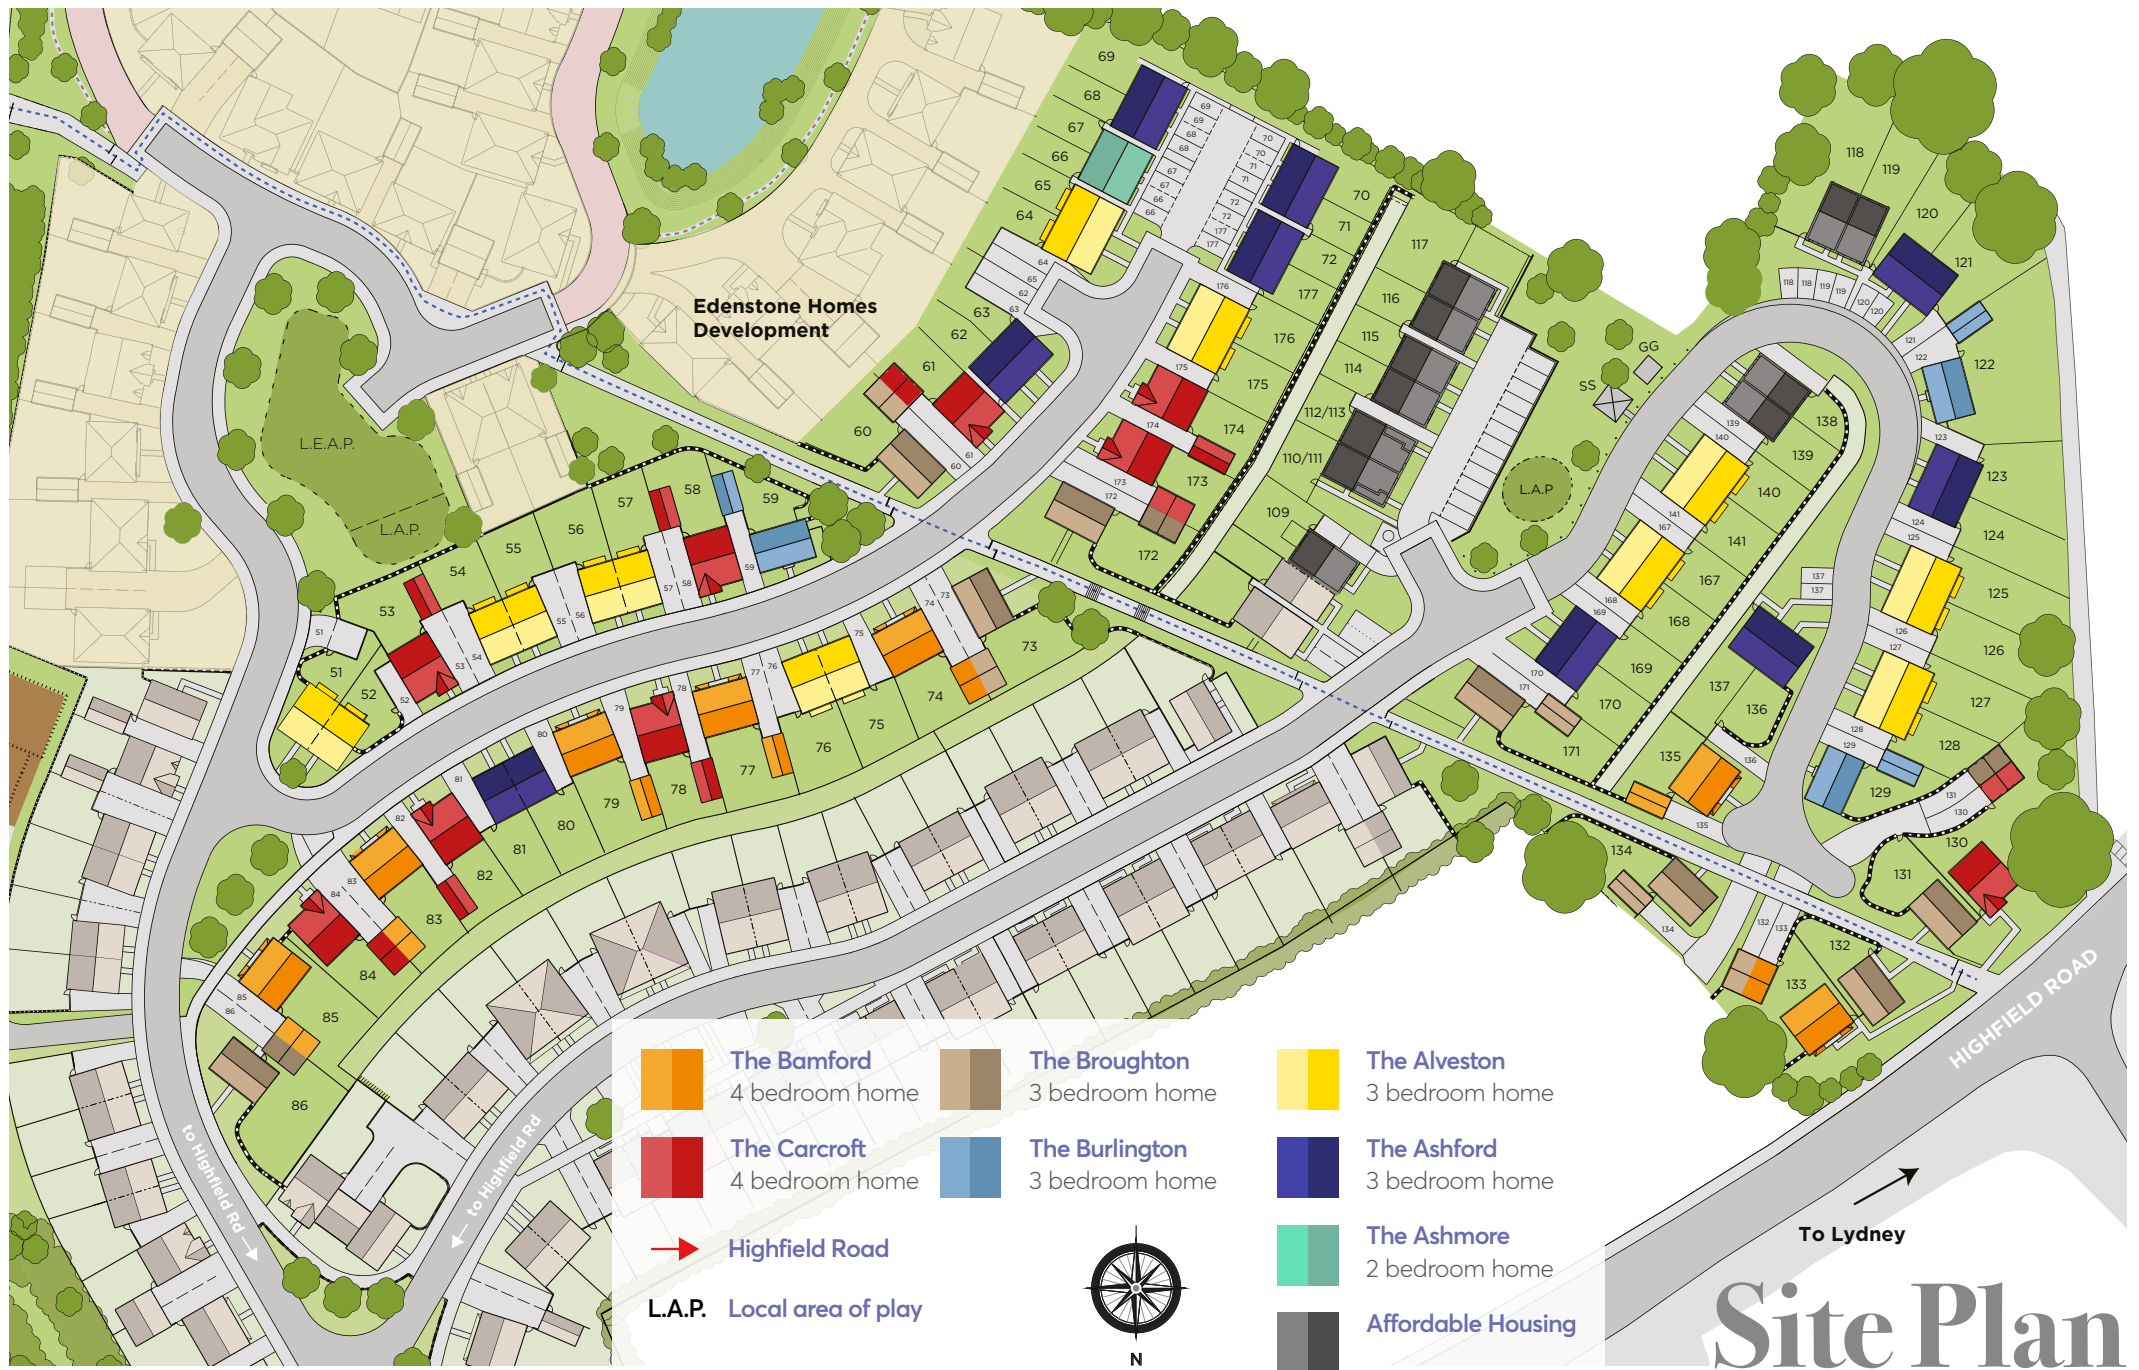

With the M48 and the Severn Bridge under 20 minutes drive to the South, River View is ideal for commuting to the business centres of Aztec West and Filton or for shopping at Cribbs Causeway, and the cities of South Wales can be easily reached via the M4.
